

2024 Lu Mien Student Conference (IMSC 22)

Health Scholarship

The Health Scholarship is an academic scholarship award established by a former IMSC participant. With the aging population and the lack of understanding of Western medicine among many Lu Mien elders, it is crucial to have Lu Mien individuals be represented in the health field to provide a voice for the Lu Mien community and to bridge the gap between traditional and Western medicine. The Health Scholarship was implemented to support Lu Mien students pursuing a career in the health field.

Lu Mien high school seniors and current college students who are pursuing a career in the health field and are active in the community are encouraged to apply.

Award Amount: \$1000. At least 1 high school senior and 1 college student will be awarded. *Funds will be disbursed after proof of class registration.*
